Joline®

# Stop'n GO Double Balloon

Target vertebral body reconstruction  
with the strength of **FOUR** balloons

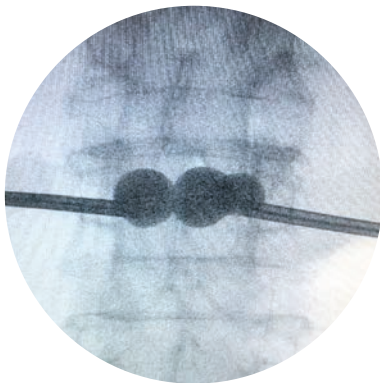

Quattroplasty®

 medical products  
developed and produced  
exclusively in Germany

Kyphoplasty

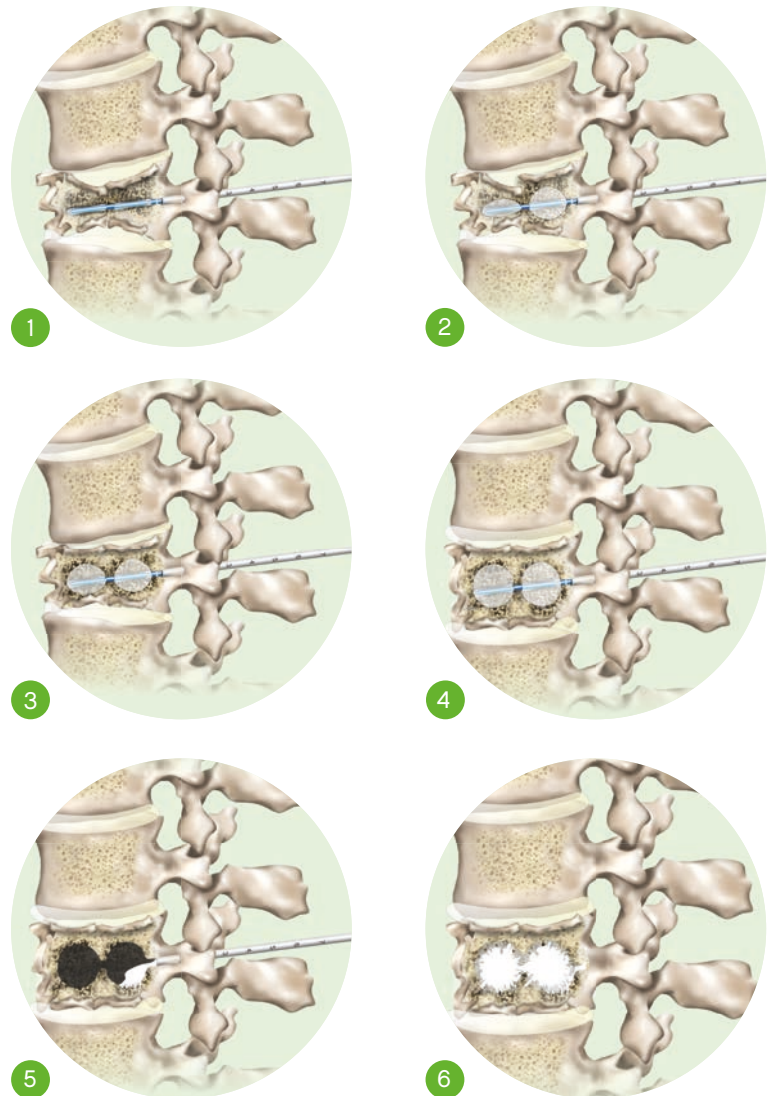

## Advantages of 2 x 2 = 4 independent balloons

- Each balloon can be controlled separately, with individual pressure levels and volumes
- Controlled 'step-by-step' lifting of the endplates
- Optimized vertebral body reconstruction
- Increased safety
